

you through His delegated agent, who gives you the voice of God and the wisdom of God, I am not troubled at all. The question is asked many times, "Has brother Brigham got the Urim and Thummim?" Yes, he has got everything; everything that is necessary for him to receive the will and mind of God to this people. Do I know it? Yes, I know all about it; and what more do you want? That is true, gentlemen; I am one of his witnesses in the last days, and to bear testimony of the truth of "Mormonism."

I say to the Saints, do not look upon us as perfect beings; notwithstanding, if you are perfect yourselves, then look for it in us, and not until then. If any of you are perfect, we want you to come here that we may see such beings, and know how to model ourselves after you; just as I take a piece of clay and shape it after another model more beautiful still.

Some of you think you have passed through awful tribulations in leaving your mothers and friends. I was glad when I got away from mine, because they persecuted me, and lied about me, and persecuted my brethren; so I was glad to get away from them. But they will see the day when they will be glad to come to brother Heber, and say, "Let me black your boots, clean your horse, or drive your carriage," &c.

You talk about carriages; good heavens! I am just as sure of enjoying

these blessings as I am of enjoying anything on this earth. If you do not believe it, read that book (the Bible), which speaks about the armies of heaven, and about horsemen and chariots, and men armed with swords, and all kinds of instruments of music; it is all spoken of in this book, and we will enjoy it, while those who seek our destruction, and all sinners, will go to hell.

All this enjoyment of the good things of heaven and earth will come by a separation of the righteous and the wicked. There was a time when an eruption took place in heaven, and Michael and his armies arose, and cast out the rebellious portion of the angels from heaven. Don't you think they got tired of contention, and broils, and tumults? Yes, so they universally agreed to cast it out. We will get tired of it too, in these last days, and we will make a separation between Saint and Sinner. The Sectarian priests have written and preached about forty years ago, and have proved to their readers, and to their hearers, that there would be a separation, and the sheep would be placed on the right hand and the goats on the left; I suppose the goats mean those that are not good for much, they bear no wool.

I guess I had better stop speaking. May the Lord God bless you forever; and may union, peace, righteousness, and salvation be with you forever and ever. Amen.
