

I not only wish but pray, in the name of Israel's God, that the time was come in which to unsheathe the sword, like Moroni of old, and to cleanse the inside of the platter, and we would not wait for the decision of grand or traverse juries, but we would walk into you and completely use up every curse who will not do right.

We are speaking against none who are good, they have our protection; but against those who are evil. We have many good friends who are not members of our Church, but when men come and threaten us with the armies of the United States, and under that color seek to practice every kind of debauchery, telling a young girl that "we are going to be destroyed, and for that reason she had better forsake the Mormon Church and make merchandise of her body," to serve their vile purposes, poor, miserable devils, what ought you to expect?

I wish the Saints to see and under-

stand men and things as they are, if they have any judgment and eyesight. I could give you a list of the practices I have been speaking of, and of the names of the men engaged in them. If we love salvation and liberty, and must fight for them, let us fight, and they will find that the "Mormons" are on hand to die, those who are right, and what would be the use of living, if we cannot have our rights? If we are to be driven, as we have hitherto been, the sooner we die the better; and the sooner we kill a poor set of miserable devils the better for those who remain.

I wish all the Saints to do right, and as for those who do not, my prayer is, "That they may all go hellwards, the way Ward's ducks went."

May God bless those who do right, and enable them to break in pieces wickedness and put it down, that we may be saved; I ask it in the name of Jesus Christ. Amen.

LAWYERS, AND THOSE WHO PRACTICE ATTENDING LAW COURTS, REBUKED—A CURSE PRONOUNCED UPON ALL WHO LOVE LITIGATION AND DO NOT REPENT.

A DISCOURSE BY PRESIDENT BRIGHAM YOUNG, DELIVERED IN THE TABERNACLE,
GREAT SALT LAKE CITY, FEBRUARY 24, 1856.

REPORTED BY G. D. WATT.

So far as I am a judge of the true spirit of the Gospel, I think that we have had that spirit manifested this morning, by brother Joseph Hovey, in his expression of his feelings, and that too in his own natural way. He is a blacksmith, carpenter, stone cutter, wood chopper; or anything else within his power, the particular channel of his operations depending entirely upon counsel. Some of the brethren

present are no doubt apprised of the mission which brother Hovey has been engaged in during this present winter; they may also be apprised that his course was found fault with when he was in the county of Utah, and more especially while in a place called Payson. While I was in Fillmore the brethren wrote to me concerning the doings and sayings of brother Hovey, and in searching to
