

breast. This good old Bible, you think we do not believe it: we believe every word of it, and practice it. If we do not, we are determined we will, by the help of God, that portion of it that alludes to us.

Plurality of wives! I have a good many wives. How much would you give to know how many? If I were to tell you, you would not believe it. I suppose many of you have not believed a word we have said today. We do not care whether you do or not. I am speaking to the unbelievers, and not to the Saints. If I spoke lies, you would believe quicker. Suffice it to say I have a good many wives and lots of young mustards that are growing, and they are a kind of fruitful seed.

You know my comparison was, when Dr. Bernhisel was at Washington, we did not know what the Dr. would think when we let the old cat out of the bag. I told him that the old cat would have kittens, and the kittens would have cats. It is so with "Mormonism;" it will flourish and increase, and it will multiply in young "Mormons." "To be plain about it, Mr. Kimball, what did you get these wives for?" The Lord told me to get them. "What for?" To raise up young "Mormons"—not to have women to commit whoredoms with, to gratify the lusts of the flesh, but to raise up children.

The priests of the day in the whole world keep women, just the same as the gentlemen of the Legislatures do. The great men of the earth keep from two to three, and perhaps half-a-dozen private women. They are not acknowledged openly, but are kept merely to gratify their lusts; and if they get in the family way, they call for the doctors, and also upon females who practice under the garb of midwives, to kill the children, and thus they are depopulating their own species. [Voice: "And their names

shall come to an end."] Yes, because they shed innocent blood.

I knew that before I received "Mormonism." I have known of lots of women calling for a doctor to destroy their children; and there are many of the women in this enlightened age and in the most popular towns and cities in the Union that take a course to get rid of their children. The whole nation is guilty of it. I am telling the truth. I won't call it infanticide. You know I am famous for calling things by their names.

I have been taught it, and my wife was taught it in our young days, when she got into the family way, to send for a doctor and get rid of the child, so as to live with me to gratify lust. It is God's truth, and I know the person that did it. This is depopulating the human species; and the curse of God will come upon that man, and upon that woman, and upon those cursed doctors. There is scarcely one of them that is free from the sin. It is just as common as it is for wheat to grow.

Do we take that course here? No. I have buried several children; I have buried them in New York State, too, in Monroe County, where I lived all my young days, and where I became acquainted with brother Brigham, which is rising of thirty years that we have been together, about twelve miles from where Joseph Smith lived and found the Book of Mormon. I buried two children there, lawful children, born to me by my first wife; and then I have buried some ten children here, born to me by my lawful wives; and I have had altogether about fifty children; and one hundred years won't pass away before my posterity will outnumber the present inhabitants of the State of New York, because I do not destroy my offspring, I am doing the works of Abraham, Isaac, and Jacob; and if I live and be a good man, and my wives are as
