

and queens of England have stolen the Roman Catholic title, to rule or defend the faith of the Protestants by kings and queens, whom they now anoint.

How do they anoint them? They anoint them by their Bishops, who declare them to be kings and queens by the grace of God. Go back, however, to their origin, and you will find that their kingdoms were first obtained by the sword; they stole their kingdoms and power, and then got priests to sanctify the theft.

Go back in England to the time of William the Conqueror, and you will find that he was a usurper; he was a Norman and a wholesale robber; and then, when he had subdued the Anglo-Saxons, the priests turned round and anointed him king by the grace of God. That is a fair example of the other European nations, and is all the authority that any of them had.

What is the Government of the United States? It does not profess any religion. There is no religion nor priesthood connected with it nationally, only they allow, or profess to allow, everybody to worship God according to the dictates of their own consciences; but nationally they are a nation of infidels. They have no national creed, no national religious institutions; and hence the absurdity of interfering with us, when forsooth they have none themselves, and they do not want that we should have any.

Do they seek to acknowledge God in their acts? Or, is there any other nation that profess to acknowledge God? There are the Mahomedans, they had a Prophet, and professed to be governed by him. There is some talk about his being a false one: he might have been, or he might have been a true one, for aught I know; I leave them in the hands of God.

The Mahomedans have a certain faith or profession, which is spoken of in the Koran, or Alkoran. They,

however, like the rest, obtained their nationality by the sword. We cannot find a nation upon the earth that has obtained its dominion or power to rule from God. If there is any people, except this people, I know them not.

The Lord has said, "If ye observe my law, ye have no need to break the law of the land." We have not broken the law of the land, and we do not mean to, although he has revealed to us his will and given us certain privileges and immunities that he never gave to any other people. Still, we have not broken the law, and there is not another people who maintain the laws of the United States as faithfully as this people do.

Why, they are in storm and trouble every way in the United States, and here is the most perfect peace and the best morality that can be found in the world by a thousandfold: yes, it is a thousandfold better than I have seen in any part of the earth where I have been. There is not a place that can compare with it; and nothing but the very Devil himself could inspire the hearts of the children of men to make war against such a people as this.

What are we engaged in? We are engaged in building up the kingdom of God, and many of you have been ordained by the revelations of the Almighty to hold the power and authority of the Holy Priesthood. Besides this, you have been ordained kings and queens, and priests and priestesses to your Lord; you have been put in possession of principles that all the kings, potentates, and powers upon the earth are entirely ignorant of: they do not understand it; but you have received this from the hands of God.

The kingdom is put upon the shoulders of President Young and this people to carry it out, and by whom? By the Lord God—by him
