

We have more manufacturing talent among us than there is in any other community of the same size that I have ever met with, and yet we are dependent.

If the Lord will tell us what to do, we will do it, whether it is to fight armies or to do anything else; and by the ingenuity there is here, we will go to work and manufacture our own clothing; and, according to the word of the Lord, we will let our adorning be that of the workmanship of our own hands.

Let us learn correct principles, that we may be enabled to govern ourselves spiritually and temporally, and instruct our children and the posterity which spring from us, that we may obtain an exaltation in the celestial kingdom of our God.

The servants of God, if we are faithful, will teach and instruct us in the things of God; and we shall grow up in virtue, intelligence, holiness, and purity, and learn to understand correct laws; and our rulers will be from among ourselves, and our Governor will be one of us—one of

the Lord's appointing—not of the Devil's.

When Zion is established in her beauty and honor and glory, the kings and princes of the earth will come, in order that they may get information and teach the same to their people. They will come as they came to learn the wisdom of Solomon.

We have intelligence and ingenuity among us to do all that is required, and we have got to set to work; and, as the Lord gives us wisdom and revelation from time to time, we will carry out his purposes and his designs; we will perform the duties that may be required of us, and we will magnify our callings, that we may be prepared, through a long course of instruction and experience, to enter into celestial glory with the intelligences who surround the throne of God.

Brethren, I pray that God may bless us, enlighten our minds, lead us in the way of truth, and save us in his kingdom, in the name of Jesus Christ. Amen.

## **JUDGMENT ACCORDING TO WORKS—TEMPORAL NATURE OF DIVINE REVELATIONS—TEMPORAL RESOURCES AND DUTIES OF THE SAINTS, ETC.**

A DISCOURSE BY PRESIDENT BRIGHAM YOUNG, DELIVERED IN THE TABERNACLE,  
GREAT SALT LAKE CITY, JANUARY 17, 1858.

REPORTED BY G. D. WATT.

We have heard much in regard to the knowledge and understanding of this people—also of the nations of the earth; and it is very true that the best of us have only commenced to learn true principles. We are but children in the kingdom of God. We understand, in a great measure, the know-

ledge that is in the world: we have been brought up in the wisdom the world professes, and that we understand. But the things of God are so directly in opposition to the vain imaginations of the inhabitants of the earth, that it is hard for people to learn them. They remove our erro-
