

PERSONAL INTEREST IN THE KINGDOM OF GOD—ENDOWMENTS—HINTS TO PREACHERS, ETC.

A DISCOURSE BY PRESIDENT JOSEPH YOUNG, DELIVERED IN THE BOWERY, GREAT SALT
LAKE CITY, WEDNESDAY AFTERNOON, APRIL 8, 1857.

REPORTED BY J. V. LONG.

I suppose, if I can make you hear who are away at the back side of this vast congregation, that those between here and there will be able to hear also; but I fear that it will be a difficult task.

I am a policeman, or, in other words, I profess to be a peacemaker, and I believe this is the calling of a policeman; consequently, when I see any difficulty or trouble betwixt any two of my brethren, or any two of my fellow creatures, if my interference is solicited, I feel called upon to make peace and to reconcile the parties. If, therefore, I see any difficulties in this city—if I see any abuse practiced upon a fellow citizen, I feel called upon to interfere. This is in me; it is an inherent principle in me: I cannot cast it out. I love to see the rights of my brethren and sisters maintained: that is my disposition exactly.

I endorse what brother Brigham has said; I do it with all my heart; and I do know, as brother John observed this morning, that the revelations of Jesus Christ are accompanied with good common sense. I have never seen any but what were the best sense that I have ever seen manifested.

I am a member of this institution which has been spoken of, called the "Carrying Company;" I am one of those men, and I feel interested in it. But, says one, have you got an investment there? Yes, I have—not exactly

in dollars and cents, but I have got my faith and goodwill there; and then you can put with that all that I have on this earth; and if you don't believe it, try me: it is all on hand.

I am not only for this, but for every other investment and scheme which is made through the proper channel; for I feel that I belong to this Church and kingdom. If I do not, I know not where I belong.

I am a citizen of this planet, and I do not know that I have ever done anything to forfeit my citizenship. I feel that I have an inheritance in these chambers of the mountains, and I have never forfeited that before this body of people.

Do this people inherit the blessings promised? They do. Some are afraid to plant and to build, for fear we should not stay here long enough to eat and inhabit. Will I plant an orchard? Yes sir, I will. To what extent will I improve? To as great an extent as I should, if I knew that I were to be a citizen of this Territory through all generations. I would plant as much as I should want, if I knew that I and my posterity were to live here till the last trumpet shall sound.

[President H. C. Kimball: They will, if they have a mind to; for there are no devils who can drive them away from here, if they do right.]

I will never cease my exertions here, but I will do all that I can to beautify
