

to the nations, the sisters who pray for the kingdom, the men who labor in the fields and elsewhere, and all who ask Him to bless and build up his Zion, and bring in the reign of righteousness and peace, that all who desire may rejoice in the blessings of the government of God among men. God bless them, and the children of the Saints, in the name of Jesus.

Parents, have you ever noticed that your children have exercised faith for you when you have been sick? The

little daughter, seeing you sick, will lift her heart with a pure, angelic-like prayer to heaven; and disease is rebuked when that kind of faith is exercised. God bless the children! I pray that they may live and be reared up in righteousness, that God may have a people that will spread and establish one universal reign of peace, and possess the powers of the world to come. This is my prayer constantly.

God bless you! Amen.

PERSONAL SACRIFICES—EVIL INFLUENCES AND POWERS, AND THE NECESSITY OF OVERCOMING THEM.

REMARKS BY PRESIDENT BRIGHAM YOUNG, MADE IN THE BOWERY, GREAT SALT LAKE CITY, JULY 8, 1860.

REPORTED BY J. V. LONG.

I will say a few words before we dismiss, and I wish to say that which will be comforting and consoling to those who delight in the truth—that which will be pleasing to our Father in Heaven, and be sanctioned by his Holy Spirit, by angels, and by the Saints who live upon the earth.

You hear much said by some about their sacrifices. As they use the term, it is without meaning to me. Divines exclaim—"Come, and give all for Christ." I would like to know what the children of men have to give—what they have to sacrifice. To my understanding, the term is used improperly. We are but stewards over what our Father puts in our possession. We possess houses, farms, gardens, orchards, vineyards, and plea-

sant locations; but are they actually ours? No. Is there a foot or an inch of this earth that rightly belongs to us? No. God has put it in our possession, and has given us ability to take from the elements to make habitations to shelter ourselves; but are the elements ours?

Suppose the Lord should cause a tornado to pass through here, as he has lately done in some places in the States, and destroy all we possess, can we say to the winds, Cease blowing? Or suppose he should cause lightning to destroy our buildings, can we stop it? No. We have power to plough, sow, till, and irrigate; but can we, of ourselves, produce one spear of grass, or one kernel of grain? No. With me, it is folly to say that
