

POWER GIVEN TO MAN TO CREATE.

REMARKS BY PRESIDENT BRIGHAM YOUNG, MADE IN THE TABERNACLE, GREAT SALT
LAKE CITY, MARCH 16, 1862.

REPORTED BY G. D. WATT.

It is often remarked that we do not understand things alike, but I am of the opinion that the inhabitants of the earth understand in the spirit, or, in other words, in the intelligent portion of their organisms, nearer alike than they have power to communicate.

We believe we are entitled to the gift of the Holy Ghost in extent according to the discretion and wisdom of God and our faithfulness; which gift brings all things to our remembrance, past, present, and to come, that are necessary for us to know, and as far as our minds are prepared to receive the knowledge of God revealed by that all-wise Agent. The Holy Ghost is God's minister, and is delegated to visit the sons and daughters of men. All intelligent beings pertaining to this earth are instructed from the same source.

In the New Testament and Book of Mormon, we learn that when the Gospel is preached the people are taught to believe on the Lord Jesus Christ, to repent of their sins, be baptized for the remission of sin, and receive the Holy Ghost by the laying on of hands; the Holy Ghost is then the special gift of the Father, and is his minister. He also gives intelligence by angels, as well as by the inspiration of the Holy Spirit, and by opening the minds of the Saints to behold in vision things as they are in eternity. When true doctrines are advanced, though they may be new to the hearers, yet the principles con-

tained in them are perfectly natural and easy to be understood, so much so that the hearers often imagine that they had always known them. This arises from the influence of the Spirit of Truth upon the spirit of intelligence that is within each person. The influence that comes from heaven is all the time teaching the children of men. "There is a spirit in man: and the inspiration of the Almighty giveth them understanding." Again, "The spirit of man is the candle of the Lord, searching all the inward parts of the belly." Again, "How oft is the candle of the wicked put out!" We have nothing independent of the Almighty. We preach, we hear, and we are instructed. We try to so live as to gain more information, more light, more command over ourselves, and more influence and power to increase the good and discourage the evil, until we can comprehend the great principles of existence and eternal progression.

We should be more happy, if we could more successfully carry into effect the knowledge we now have. The Lord said, "Let there be light: and there was light." The Council in heaven said let there be an earth, and let there be a firmament above and beneath it, and it was so. They said let there be heat and cold, and it was so. They said let there be spring and summer, autumn and winter, and it was so. We can say let the people be clothed, and they
