

one of the purest of elements, and will not be so much changed as some others, though every element that we are acquainted with will pass through a change. Gold is a pure and precious metal, and the wicked love it through selfishness or an unholy lust, while God and his true people love to pave the streets of Zion with it, to overlay altars and pulpits of Temples with it, and to make utensils of it for the use of the Priests of the Lord in offering sacrifice to him, and also for household purposes.

There are some of the sealing ordinances that cannot be administered in the house that we are now using; we can only administer in it some of the first ordinances of the Priesthood pertaining to the endowment. There are more advanced ordinances that cannot be administered there; we would, therefore, like a Temple, but I am willing to wait a few years for it. I want to see the Temple built in a manner that it will endure through the Millennium. This is not the only Temple we shall build. There will be hundreds of them built and dedicated to the Lord. This Temple will be known as the first Temple built in the mountains by the Latter-day Saints. And when the Millennium is over, and all the sons and daughters of Adam and Eve, down to the last of their posterity, who come within the reach of the clemency of the Gospel, have been redeemed in hundreds of Temples through the administration of their children as proxies for them, I want that Temple still to stand as a proud monument of the faith, perseverance and industry of the Saints of God in the mountains, in the nineteenth century.

I told you thirteen years ago, that every time we took up our tools to progress with that Temple, we should see opposition. Our enemies do not love to see it progress, because we are

building it for God, and they do not love him. If it is necessary I am willing to drop the work on the Temple; but if you require at our hands that the Temple be built, you should be as willing to pay your Tithing as you are to have us build the Temple. Some of us are not dependent on the Temple for our endowment blessings, for we have received them under the hands of Joseph the Prophet, and know where to go to bestow the same on others. You may ask me whether the leaders of this Church have received all their endowment blessings. I think that we have got all that you can get in your probation, if you live to be the age of Methuselah; and we can give what we possess to others who are worthy. We want to build that temple as it should be built, that when we present it to the Lord we may not have to cover our faces in shame.

I now wish to present a few questions to the congregation, for I think there is no harm in asking questions to elicit information. Do the Government officials in Utah, civil and military, give aid and comfort to and foster persons whose design is to interrupt and disturb the peace of this people? And are they protected and encouraged in this ruinous design by the strong arm of military power, to do what they will, if they will only annoy and try to break up the "Mormon" community? Does the general Government, or does it not, sustain this wicked plan? Is there in existence a corruption-fund, out of which Government jobbers live and pay their traveling expenses while they are engaged in trying to get men and women to apostatize from the truth, to swell their ranks for damnation? Is this so, or is it not so? Those who understand the political trickeries and the political windings of the nation, can see at once that these are political questions. Who
