

"Angels from heaven, and truth from earth,
Have met and both have record borne."

God has sent his angels, and he has declared that he would introduce his kingdom and his government, and establish his dominion and authority according to the saying of one of the old Prophets, "The Lord is our king, the Lord is our judge, the Lord is our lawgiver; and he shall reign over us." That was the kind of feeling the people had in those days when they felt right, and this is the kind of feeling the people have in these days when they have the right Spirit; and this is the feeling that we profess to carry in our bosoms, and which we profess to carry out in our lives. We have generally been able to see through the fallacy and weakness of all human institutions. We believe that the Lord has revealed himself from the heavens, and that the manifestations of the power of the heavens have been revealed, and the intelligence that dwells in the bosom of the Almighty and the records that have been hid up for ages we have found; they have been developed and made known to us in connection with the revelations of the Spirit of the Most High God, for the purpose of establishing the kingdom of the Lord Jesus Christ upon the earth, and bringing in a reign of righteousness, freedom and peace. These things have been introduced for the very purpose of developing and accomplishing those things that have been hid up in the bosom of Jehovah from before the commencement of this earth. He well understood his designs ere the morning stars sang together for joy; he knew what he was to accomplish years and years ago, before any of our fathers had an existence upon the earth; and for this reason the earth was organized and framed, and for this purpose we came here. God had designs generations ago to accomplish his purposes, and those purposes which he designed

from the beginning will be accomplished in spite of all the combined influences of earth and hell. What was the object of our formation and the formation of the earth and of all intelligent beings upon it? God in his own due time, after the folly, strength, weakness and vanity of the human family have exhausted themselves, and after trying all their experiments, and all their wisdom being exerted to find out God, then the Almighty will show them that he can accomplish his purposes. It is our business to lean on the Lord and seek unto him for wisdom and intelligence. The Lord has opened up this work by opening the heavens, by communicating his will and unveiling his purposes and designs to the children of men, by the introduction of the Holy Priesthood and by the manifestation of his power, and by the marvelous deliverance which has been wrought for us, for our guidance; in this way he has given proof upon proof, and intelligence upon intelligence, and testimony upon testimony; and evidence upon evidence have been given to convince us of the position that we occupy and of the will of God that has been communicated unto us. The Spirit of inspiration has been given unto us, and we have had our testimony made as firm and sure as the Rock of Ages, upon the principles of eternal truth, and all this that our steps might not waver and that we might yield obedience to the laws of heaven and continue in the observation of the statutes. But, notwithstanding all our privileges and blessings, a great many of us seem to have ears to hear but hear not, hearts but we understand not, and although we are made partakers of the munificence and goodness of God, and notwithstanding his intelligence continues to be poured out upon us from day to day and from year to year, we seem to treat lightly
