warp the yarn, after they have spun and
colored it. Every young woman who calcu-
lates to be a wife and a mother, should
make herself acquainted with these mat-
ters. Is there any female in our society too
good to learn and work at this home indus-
try? I think not. If there are any who con-
sider themselves so, they are also too good
to wear homemade clothing. The Priest-
hood is also with the woman, because she
is connected with the man, and the man is
connected with his God. Being so con-
nected, we must all be honorable if we are
good.

The earth is enlightened by the same
light which enlightens our eyes, which is the
light of Christ, which enlighteneth every
son and daughter of Adam and Eve who
cometh into the world, and it is the same
light by which I see you this morning. And
we have, in addition to this, a holy Priests-
hood, and have been commanded to go
forth and preach the Gospel, and teach the
ways of life to all men, and not to be taught
by unbelievers. We are also instructed to
lead all meetings as we are dictated by the
Holy Ghost. The spirit of truth is the spirit
of revelation, which we may all possess, for
it is the privilege of all Latter-day Saints so
to live and honor God as to receive of his at-
tributes and nature in greater perfection,
and become more like Him. We are the
sons and daughters of God; we have pro-
ceeded from him through the laws of gen-
eration, the same as my children have pro-
ceeded from me. God is the great father of
our race, and as a man is not perfect with-
out the woman, neither is the woman with-
out the man in the Lord; they depend upon
each other, and are necessary to each other
for the propagation of our species.

I enjoyed myself very much at your
party last night. Such social gather-
ings are always good in their effects,
