

will not take much more to prepare them for the fulfillment of the prophecies which I have been repeating. I do not know how long-suffering the Lord is. It is a good thing that He has wisdom, knowledge and understanding, that He is not a human being, or He would get wrathful and swallow up the people in a moment. It is a good thing that you and I do not have people to deal with according to our feelings. God is a long-suffering being. He has fulfilled a great many things pertaining to this people during forty years past. There are a great many more to be fulfilled in relation to us, and in relation to the nation which is persecuting us; but whatever the final result may be, whether the American Congress pass laws to persecute us or not; whether they rob us of our houses and lands or not; whether they imprison us and send us for five years to a Penitentiary or a military camp or not, there is one thing sure—as sure as the sun shines forth in yonder heavens, so sure will the Lord fulfil one thing with regard to this people. What is that? He will return them to Jackson County, and in the western part of the State of Missouri they will build up a city which shall be called Zion, which will be the headquarters of this Latter-day Saint Church; and that will be the place where the prophets, apostles and inspired men of God will have their headquarters. It will be the place where the Lord God will manifest Himself to His people, as He has promised in the Scriptures, as well as in modern revelation.

"Do you believe that?" says one.

Just as much as we believed, long before it came to pass, what has taken place. The world can believe what has taken place, because it has been fulfilled. The Latter-day Saints believe in prophecies before they take place. We have just as much confidence in returning to Jackson County and the building of a great central city that will remain there a thousand years before the earth passes away, as the Jews have in returning to Jerusalem and rebuilding the waste places of Palestine. In fact we have more faith than they have; for they have been so many generations cast out of their land that their descendants have almost lost their faith in returning. But the Latter-day Saints are fresh, as it were. There are many of the old stock, who passed through all those tribulations I have named, still living, whose faith in returning to Jackson County, and the things that are coming, is as firm and fixed as the throne of the Almighty. We know the future destiny of this kingdom as well as we know its past history, that is concerning the general events which are to transpire.

I am taking up too much of your time. May the Lord bless us as a people; bless us with wisdom, with understanding, with power with the heavens, with union, with peace among ourselves; bless us with righteousness, and joy in the Holy Ghost; bless us with the spiritual gifts of His kingdom, multiply His favors upon us and upon our generations after us, forever and ever, is my prayer in the name of Jesus Christ. Amen.
