

Brother George A. Smith was computing the interest and indebtedness of Missouri to us; but I tell you when the Lord pays us up, it will be a "big" reward. Be patient, live your religion, and when the Almighty does reward, it will be on a large scale.

And now let me give you my feelings in relation to the interference of the Government of the United States. What do they want to interfere with us for? Whom have we injured? Have we injured anyone? Have we done wrong to anyone, Jew or Gentile? Have we done wrong to the Indians? Have we done wrong in cultivating the soil, and in making this barren and waste desert fertile? What wrong *have* we done, that it is necessary for Congress to interfere? They say, "We are afraid you intend to do wrong." Well, then you punish us in advance for the wrong we have not done. They say, "You are guilty of practicing polygamy." Well, now, this is only one feather in the bird; only one single feather. I will tell you, everything is wrong about us in their estimation. It is wrong of us to get such an influence on the earth, both at home and abroad. And the reason why so much is said about polygamy, is because it is the only handle that they think they can get hold of; but they will discover that

even this is so doubtful, in the eye of Constitutional law, that it can give them no assurance of success against us; and they will find it the very principle that will break in pieces the power that would set it aside.

I would not say that I am speaking now as a representative of the minds of the Latter-day Saints as a body; I wish merely to express my own sentiments and feelings, and if I say anything that is wrong, let me be corrected for it right here. I will tell you that, just in proportion as any power, whether the United States or any other nation, seeks to hinder or oppose the progress of the Latter-day Saints, or lay any stumbling block in their way, the Lord will lay two stumbling blocks in their way, to their laying one in ours.

We have something more potent than our own arm to defend us—we have the arm of Jehovah pledged for our protection. He will make bare His arm in the eyes of the nations, and they will feel it. It is getting too late in the day. The battle is too far advanced.

Then let us, as Latter-day Saints, be filled with reverence for the kingdom of God—for His laws and institutions; remembering our prayers, being faithful, doing our duty in all things, and the Lord will bear off His kingdom. God bless you. Amen.
