

are bent in that direction, their appetites for the things of God are increased and they desire more, which shall accordingly be given them.

How clearly is the condition of the nations of the earth today depicted in this book! It is stated, near to the quotation which I first made, that in these latter days God would create a great division among the people, that the wicked would destroy the wicked. There is a question on a subject that is clearly described in this record, that is drawing the attention of the ablest minds of the age. It is an influence that is shaking the governments and nations of the earth from center to circumference—I refer now to the "secret societies" that are filling the heads of governments with fear, that commit all kinds of diabolical depredations among the nations, and that are even threatening their very existence. These societies, which are inspired by a desire to throw off every kind of legal restraint, exist, in some form or another, in almost every nation under heaven, and especially in those nations claiming to be civilized. Perhaps this is what is meant by the great division among the people. This subject was brought up before the mind of Moroni, the last man in whose custody the plates from which this record was translated were, and who was so highly privileged as to hide them up in the hill Cumorah, where they were found by the Prophet Joseph Smith, in this age, being directed to obtain them by the angel of the Lord. It was a habit with Moroni, while making the closing portion of this record, to discourse upon the subject matter, to speak with the peoples of the earth who would live in this day in which you and I are living as if

he spoke to them face to face, as one man speaks with another, and warn them of the evils that would exist among them and the destruction that would fall upon their heads. He also called upon them, by the voice of prophecy, to repent of their sins and accept of the plan of redemption, that they might be saved in the kingdom of the Father. Perhaps it would be interesting to you, considering the nature of the times in which we live, to draw your attention to what he (Moroni) says about this very condition to which he pointed by the spirit of prophecy, a condition that was to exist in the day in which we live. You will find it on page 588. He is now addressing the Gentiles who would be living when this book would be brought forth, and the work of the Father commenced. Hear his words: "And whatsoever nation shall uphold such secret combinations, to get power and gain, until they shall spread out over the nation, behold, they shall be destroyed; for the Lord will not suffer that the blood of his saints, which shall be shed by them, shall always cry unto him from the ground for vengeance upon them, and yet he avenge them not. Wherefore, O ye Gentiles, it is wisdom in God that these things should be shown unto you, that thereby ye may repent of your sins, and suffer not that these murderous combinations shall get above you, which are built up to get power and gain—and the work, yea, even the work of destruction come upon you, yea, even the sword of the justice of the Eternal God shall fall upon you, to your overthrow and destruction if ye shall suffer these things to be. Wherefore, the Lord commandeth you, *when ye shall see these things come among you* that ye shall awake to a sense of your awful situation,
