I pray that we may be continually awake to the signs of the times in which we live; that we may see the

importance of every one attending to his and her duties, according to the sphere in which each moves; and that we may be on the alert, avoiding everything that is evil, is my desire, in the name of Jesus Christ. Amen.

THE DIVINE AUTHORITY OF THE HOLY PRIESTHOOD, ETC.

DISCOURSE BY ELDER ORSON PRATT, DELIVERED AT THE GENERAL CONFERENCE, SALT LAKE CITY, SUNDAY MORNING, OCT. 10TH, 1880.

REPORTED BY GEO. F. GIBBS.

I have been asked by President Taylor to address the congregation this morning on a particular subject, in which we are all interested, namely, the divine authority of the Priesthood, divine callings, ordinances, etc.

We have in this Church several thousand male members who hold authority and power which they say is from heaven. If it be from heaven, as we testify, and have testified ever since the rise of the Church, then the Lord our God has manifested His power, and in His mercy has once more bestowed authority upon the children of men to administer His holy ordinances, and to occupy the positions to which we have severally been called. On the other hand, if the views of the world are correct—they do not consider us to have any authority—we are then on

the same ground and platform with the rest of the religious world, there is no authority upon the earth. One or the other is true.

There never was a principle more clearly proven than that the inhabitants of the earth are destitute of all divine authority, among all religious denominations, whether Pagan, Mahometan or so-called Christian; the authority cannot be found throughout all the various denominations that have existed through the long period of time called the dark ages, until the Lord, in His mercy, has organized His Church again on the earth and bestowed that authority, and if He has not done it, as the world say He has not, there are no persons upon this whole earth that have any authority from the heavens; and therefore we are just as well off as the balance of them.
