

as being as important as that of any people that ever lived in any age of the world. I have often expressed my views with regard to this. As Elders of Israel, very few of us fully comprehend our position, our calling, or relationship to God, our responsibility, or work the Lord requires at our hands. The Lord has given unto us the Priesthood. This is conferred upon us that we may administer in the ordinances of life and salvation. But to enable us to perform our duties acceptably, there is one thing we need, one and all of us, and that is the Holy Spirit. While in Winter Quarters, President Young had a dream in which the Prophet Joseph Smith appeared to him and said: "Brother Young, you exhort this people to obtain the Holy Spirit; with it they can do anything that is necessary; without it they cannot build up the kingdom of God." In one of my dreams while in Arizona, I had the same admonition from President Young. I thought he was attending one of our conferences. I said to him: "Can you speak to us?" "No," he replied, "I have done bearing my testimony in the flesh; I have merely come to see the people, to see you, to see what you are doing. But I want you to teach the Latter-day Saints to labor to obtain the Holy Spirit. It is one of the most important gifts that the Saints of the living God can possess. You all need this," he said, "in order to build up Zion. If you have not this Spirit—the Spirit of the Holy Ghost, the testimony of Jesus, the testimony of the Father and Son—you cannot get along. But if you are in possession of this Spirit, your minds will be open to comprehend the things of God." This is true. There is not a man in this Church and kingdom today, who, if he is in possession of this

spirit, will set his heart upon the things of this world. Any man that loves the world, the love of the Father is not in him. We have received something better than the love of gold, silver, houses and lands; we have received the promise of eternal life. We have had conferred upon us the eternal Priesthood by which our heavenly Father has created all worlds and redeemed all worlds and has performed all his works from eternity to eternity.

Then, we should labor to obtain this Spirit while we are upon the earth that we may overcome every evil. We have a mighty warfare on hand. We have to contend against the world, the flesh and the devil. There are temptations that surround every man and woman, that is, if they attempt to keep the commandments of God, and no man or woman can inherit eternal life without passing through this warfare in the flesh. Other generations have had their turn. As a people it is our turn today. The old patriarchs and prophets have gone, their missions are ended, so far as their testimony in the flesh is concerned; but they were valiant in the testimony of Jesus Christ; they kept the law, and they will inherit a celestial glory.

I often reflect upon the promises made concerning the Priesthood. The Lord, in a revelation upon this subject, says, Doctrine and Covenants, 33rd to 40th verses: "Whosoever is faithful unto obtaining these two priesthoods of which I have spoken, and the magnifying their calling, are sanctified by the Spirit unto the renewing of their bodies. * * * All that my Father hath shall be given unto him. Therefore, all those who receive the priesthood, receive this oath and
